3. Agreement

By signing this form, the corresponding author, on behalf of all authors, agrees to the following:

1. **Copyright.** The authors retain the copyright of the article.
2. **License.** The article will be published under the Creative Commons Attribution 4.0 International License (CC BY 4.0), which permits anyone to use, share, and adapt the work in any medium, provided the original work is properly cited.
3. **Publishing rights.** The authors grant *Brantas Journal of Mathematics* and Harmonier Press the right of first publication, and a non-exclusive right to reproduce, distribute, archive, and index the article in any format.
4. **Originality.** The article is the original work of the authors. It has not been published previously and is not under consideration for publication elsewhere.
5. **Rights of others.** The article does not infringe any copyright or other rights of third parties. The authors have obtained permission to reproduce any material owned by others.
6. **Authorship.** All authors have read and approved the final version of the article and have authorized the corresponding author to sign this agreement on their behalf.
7. **Ethics.** The authors have followed the publication ethics policy of the journal, which is based on the guidelines of the Committee on Publication Ethics (COPE).

4. Signature of the Corresponding Author

Place and date **Signature**
